II. Comments from the fellow and review:

She has done very well in the past 6 months and for her entire 1st year. She has been reading and expanding her fund of knowledge. She feels positive about her growth and the experience.

There have been no major issues with her. She does her job well and in competent. Reviews and evaluations are excellent.

Montefiore Nephrology Fellowship Evaluation

Six-month Fellow Review

ASSESSMENT AND EVALUATION SUMMARY:

great evals
good fund of knowledge
ready for 2nd year
will do research with Dr. Susztak; is leaning towards an academic career.

COMMENTS-STRONG POINTS:

Hard working; well read
good fund of knowledge
caring and relates well to all involved

COMMENTS-WEAK POINTS:

No major issues
An outstanding fellow who will do well;
at times gets a little unfocused and doesn't always see the big picture clearly.
