BRCU

Board Review
Course & Update

JUL. 31 – AUG. 2, 2022

Fairmont Chicago, Millennium Park

An interactive, three-day course that provides a detailed review of key nephrology concepts.

Test Your Knowledge

The American Society of Nephrology (ASN) Board Review Course & Update (BRCU) focuses on key information needed to prepare for the ABIM Nephrology Certification and MOC Exams.

This year, BRCU offers a blend of 40+ hours of on-demand expert presentations in early July and three days of an in-person learning experience in Chicago, IL. Onsite participants can look forward to case discussions, interactive games, ask-the-professor sessions, and small group sessions for nephrologists at all career stages.

Taught by leading experts in the field, BRCU is the best way to prepare for the nephrology board exams. Through BRCU you will be able to interpret the fundamental concepts of nephrology such as Fluid and Electrolyte Disorders, Potassium and Acid Base, Glomerular and Vascular Disorders, CKD and ESKD, AKI and ICU Nephrology, Bone and Mineral Metabolism, Transplantation, and other topics patterned after the ABIM blueprint, giving you the most efficient preparation.

To view the schedule of events, visit www.asn-online.org/brcu.

What is included?

How do you register?

Register at www.asn-online.org/brcu by Thursday, June 30 to ensure your space and discounted pricing.

Registrant Type	Until 6/30	After 6/30
ASN Member	\$1,275	\$1,375
ASN Fellow-in-Training Member	\$875	\$975
Nonmember	\$1,775	\$1,875

Accreditation and CME Credit Designation

In support of improving patient care, the American Society of Nephrology is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

The American Society of Nephrology designates this blended activity for a maximum of estimated 65.5 *AMA PRA Category 1 Credits™*.

Final credit amount will be posted on the ASN website on June 30.

ABIM MOC Statement

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to approximately 65.5 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
