Boston University School of Medicine
Associate Physician
Brigham and Women's Hospital

Alexion is committed to complying with all applicable laws and regulations and adhering to the highest standards in its interactions with healthcare professionals. Certain states and federal agencies have regulations or policies that prohibit the receipt of meals at company sponsored events. You are accountable for understanding such restrictions and complying with them. Alexion may restrict your participation in this program. Please note, per industry guidelines, we are unable to accommodate spouses or guests at this event. The invitation is nontransferable and is for relevant healthcare professionals only. In order to ensure accurate transparency reporting of meals, Alexion requires program attendees to sign in upon arrival. Subject to all applicable federal and/or state regulations Alexion will disclose information related to meals provided to you. In most cases, this information will be made public. Attendees may opt out of the meal by indicating on their RSVP.
