Presented by Fresenius Medical Care:

- ▶ **Friday, October 26 at 10:00 a.m. - 11:00 a.m.**
- ▶ **San Diego Convention Center, San Diego, CA**
- ▶ **Ground Level Exhibit Hall**

Coming Soon: 2008T BlueStar Hemodialysis Machine

The 2008T BlueStar hemodialysis machine features 30+ enhancements making this the most comprehensive upgrade in our history. Our latest technology is built on our proven, feature-rich platform and is designed to provide simpler operation and maintenance with greater user control, labor and cost savings, enhanced data stream, plus SLED and Low Volume treatment options.

See how we can help you reach new heights.
