

YOU'RE INVITED

Survival After End Stage Renal Failure: Preventing Cardiac Disease in ESRD Patients

Exhibitor Spotlight Lunch Event at Kidney Week 2018

Supported by NxStage Medical, Inc.

Friday, October 26 2018 | 11:00AM-12:00PM

San Diego Convention Center, Exhibit Hall, Exhibitor Spotlight Theater #2

The Exhibitor Spotlight is not a Continuing Education (CE) activity.

Moderated by: Allan Collins, MD

University of Minnesota School of Medicine

Chief Medical Officer, NxStage Medical, Inc.

This educational program will feature interactive presentations from experts in both the renal and cardiovascular industries discussing:

- Ultrafiltration Rates and Impact on Cardiovascular Risk
- Fluid Management and Control, and Managing Cardiovascular Disease in Chronic Dialysis Patients
- Case Studies in Clinical Applications of More Frequent Hemodialysis

Lunch will be provided

Panel Members

Allan Collins, MD

University of Minnesota School of Medicine

Chief Medical Officer, NxStage Medical, Inc.

Dr. Collins has held several leadership roles at the National Kidney Foundation (NKF), serving as president for two years, and on the NKF scientific advisory board for six years, and with the Kidney Dialysis Outcomes Quality Initiative. Dr. Collins is the Chief Medical Officer for NxStage Medical, Inc.

Jenny Flythe, MD*

Assistant Professor of Medicine, Medical Director, Acute

Dialysis Unit, University of North Carolina Hospitals

Dr. Flythe is physician-scientist devoted to the study of fluid management and patient engagement among individuals receiving maintenance hemodialysis. She completed her Nephrology training at the Brigham and Women's Hospital/ Massachusetts General Hospital and received a Master's in Public Health from the Harvard School of Public Health. Dr. Flythe conducts qualitative, epidemiologic and prospective studies centered upon improving outcomes and experiences of the dialysis population.

Maria Rosa Costanzo, MD*

Heart Specialists, Medical Director of the Edward Center for

Advanced Heart Failure in Naperville, Illinois

Dr. Costanzo is a Member of the Research Committee of the Heart Failure Society of America (HFSA) and former Editor in Chief of the Journal of Heart and Lung Transplantation. She has published more than 150 peer-reviewed manuscripts and is the author of numerous review papers, monographs, and book chapters.

Natalie Borman, MD*

Consultant Nephrologist, Clinical Director, Wessex Renal and

Transplantation Unit

Dr. Natalie Borman is Medical Director and Clinical Lead in the Wessex Renal and Transplantation Unit, Portsmouth, UK. She is one of the leaders of the KIHdNEy group (Knowledge to Improve Home Dialysis Network in Europe), and she has authored multiple articles in the UK and abstracts in major international conferences. She is also part of the organization team of the Manchester Annual Dialysis Conference, focusing on home dialysis.

Space is Limited†

*Panel members are paid speakers of NxStage Medical, Inc. and members of the NxStage Scientific Advisory Board.

† Space is limited to Kidney Week participants only. To comply with certain federal, state, and local laws that require disclosure of meals and other transfers of value to health care professionals, NxStage Medical, Inc. will disclose your participation in the meal portion of this program. In addition, to comply with certain federal, state and local laws that prohibit or limit the provision of meals to health care professionals and/or state employees, NxStage does not offer a complimentary meal to individuals who are subject to such restrictions. Attendees to whom such restrictions apply should not avail themselves of the complementary meal. Attendees will, however, have the opportunity to pay for the meal themselves at the event. If you are unsure of your state's laws and regulations, we ask that you please check prior to this event.
