

Thursday, October 25

- **Opening Plenary: President's Address, Kidney Week Planning Committees Recognition, State-of-the-Art Lecture**, 8:00 a.m. - 9:30 a.m., Hall D
- **Digital Pathology Room Hours**, 9:30 a.m. - 4:30 p.m., Room 22 (view slides for Renal Biopsy Session)
- **Late-Breaking Posters**, 10:00 a.m. – 12:00 p.m., Hall A
- **Clinical Transplantation: What Everyone Should Know**, 10:30 a.m. – 12:30 p.m., Room 6B
- **Fellows-in-Training (FIT) Bowl**, 10:30 a.m. – 12:30 p.m., Hall A
- **Getting Stoned: Kidney Stone Disease**, 10:30 a.m. – 12:30 p.m., Room 33C
- **New ACC/AHA Hypertension Guideline: What Does It Mean for the Nephrologist?**, 10:30 a.m. – 12:30 p.m., Room 20D
- **New Diabetes Drugs and the Kidneys: What Are the Mechanisms?**, 10:30 a.m. – 12:30 p.m., Room 6A
- **Water and Electrolyte Physiology: Clinical Implications of Recent Advances**, 10:30 a.m. – 12:30 p.m., Room 23A
- **Nephrology Career Guidance Panel for Residents**, 12:45 p.m. – 1:45 p.m., Room 8
- **A Day in the Life of the Onco-Nephrologist**, 2:00 p.m. – 4:00 p.m., Room 6A
- **Best of ASN Journals: CJASN and JASN**, 2:00 p.m. – 4:00 p.m., Room 20D
- **Finding Hidden Treasures: Computational Analysis in Digital Pathology**, 2:00 p.m. – 4:00 p.m., Room 24A
- **Personalizing CKD Care and Prevention: Lessons from the Genomics of Chronic Disease**, 2:00 p.m. – 4:00 p.m., Room 6E
- **Pluripotent Stem Cell Models of Kidney Biology and Disease: Progress, Promise, and Pitfalls**, 2:00 p.m. – 4:00 p.m., Room 4
- **Enemies of the Kidneys: Endogenous and Exogenous Toxins**, 4:30 p.m. – 6:30 p.m., Room 6A
- **Kidney-Conscious Care in Pregnancy**, 4:30 p.m. – 6:30 p.m., Room 20D
- **Timely Debate in RRT in the ICU**, 4:30 p.m. – 6:30 p.m., Room 6B

Friday, October 26

- **Plenary Session: ASN Foundation for Kidney Research Presentation, Kidney Health Initiative Recognition, Homer W. Smith Award Address and Presentation, State-of-the-Art Lecture**, 8:00 a.m. - 9:30 a.m., Hall D
- **Digital Pathology Room Hours**, 9:30 a.m. - 4:30 p.m., Room 22 (view slides for Renal Biopsy Session)
- **Fellows-in-Training (FIT) Bowl**, 10:30 a.m. – 12:30 p.m., Hall A
- **Getting to the Heart of the Matter: Link Between AKI and CVD**, 10:30 a.m. – 12:30 p.m., Room 6A
- **High-Impact Clinical Trials Oral Abstract Session**, 10:30 a.m. – 12:30 p.m., Room 20A
- **Management of Patients with Progressing Diabetic Kidney Disease**, 10:30 a.m. – 12:30 p.m., Room 20D
- **Nephrology Quiz and Questionnaire 2018**, 10:30 a.m. – 12:30 p.m., Room 6B
- **Quality is Job One: Improving Care for CKD and ESRD Patients**, 10:30 a.m. – 12:30 p.m., Room 23A
- **Basic Science Symposium: Artificial Intelligence – Trends in Machine Learning Applied to Biomedical Research**, 12:45 p.m. – 1:45 p.m., Marina Ballroom E/F/G, Marriott Marquis
- **Nephrology Career Guidance Panel for Graduate Students**, 12:45 p.m. - 1:45 p.m., Room 8
- **Nephrology Career Guidance Panel for Medical Students**, 12:45 p.m. - 1:45 p.m., Room 7
- **21st Century Killers: How Nephrologists Can Fight Back**, 2:00 p.m. – 4:00 p.m., Room 9
- **ADPKD: Advances and Complications, Including the Robert W. Schrier, MD, Endowed Lectureship**, 2:00 p.m. – 4:00 p.m., Room 6D
- **Cardiorenal Syndrome: Blame the Messenger**, 2:00 p.m. – 4:00 p.m., Room 6F
- **Kidney Precision Medicine**, 2:00 p.m. – 4:00 p.m., Room 6C
- **Changing Face of IgA Nephropathy**, 4:30 p.m. – 6:30 p.m., Room 20D
- **Developing Therapies That Matter Most to Patients: A Patient-Centered Approach to Innovation, Including the Celeste Castillo Lee Memorial Lectureship**, 4:30 p.m. – 6:30 p.m., Room 9
- **Friday After 5 p.m.: Consults when Nephro Stress Begins**, 4:30 p.m. – 6:30 p.m., Room 20A

Saturday, October 27

- **Plenary Session: ASN Innovations in Kidney Education Winners, Fellows-in-Training Bowl Winners, Robert G. Narins Award Presentation, John P. Peters Award Presentation, Belding H. Scribner Award Presentation, President's Medal, State-of-the-Art Lecture**, 8:00 a.m. - 9:30 a.m., Hall D
- **Axis of Renal: A Kidney Centric Approach to Cardiorenal Syndrome**, 10:30 a.m. – 12:30 p.m., Room 6F
- **ClinicoPathologic Conference 2018: Transplantation**, 10:30 a.m. – 12:30 p.m., Room 25C
- **Painting with Precision: Sepsis and AKI**, 10:30 a.m. – 12:30 p.m., Room 6A
- **Gut Microbiome and the Kidneys**, 2:00 p.m. – 4:00 p.m., Room 6E
- **AKI-CKD Progression: Identification of Modifiable Factors and Strategies to Improve Patient Outcomes**, 4:30 p.m. – 6:30 p.m., Room 6A
- **Keeping the Filter Tight: Mechanisms of Proteinuria**, 4:30 p.m. – 6:30 p.m., Room 20A
- **Racial Inequalities in Kidney Diseases: Connecting Social Factors to Genetic Risk**, 4:30 p.m. – 6:30 p.m., Room 7B
- **Renal Biopsy: Clinical Correlations 2018**, 4:30 p.m. – 6:30 p.m., Room 20D

Sunday, October 28

- **Plenary Session: ASN Passing of the Gavel, Donald W. Seldin Young Investigator Award Presentation and Address, State-of-the-Art Lecture**, 8:00 a.m. - 9:30 a.m., Hall D
- **Cardiovascular Clinical Trials in Nephrology: M and M Report**, 10:00 a.m. – 12:00 p.m., Room 1B
- **Renal Functional Reserve: Why We Need to Understand and Measure It**, 10:00 a.m. – 12:00 p.m., Room 5A
- **Resistant Hypertension: Taming the Beast**, 10:00 a.m. – 12:00 p.m., Room 7B
