Booth Structure and Payment

All exhibiting companies must submit a Certificate of Retardancy for all booth construction and decoration no later than Friday, August 30, 2019.

Booth Configurations

A standard booth size is 10'x10'. All exhibit backgrounds must conform to the standards set by the Healthcare Convention Exhibitors Association, as follows:

Standard 10'x10' Booth

- No side rails may exceed over three (3) feet or counters may exceed 42 inches in height.
- Backgrounds are limited to eight feet in height and must not protrude more than five (5) feet from the back wall. No exhibit construction can exceed the height of the side rail except in the back one-half of the booth, as noted above.
- The Exhibitor must drape the reverse side of any wing panel extending from the back wall of the display to avoid a raw exposure to a neighboring booth and/or to an aisle. If the exhibitor does not comply, ASN will have the decorator drape the area at the exhibitor's expense.
- Corner booths may eliminate the corner side rail if desired.
- ASN does not permit storage of any kind behind an exhibitor's booth. If the exhibitor does not comply, ASN will have the storage removed at the exhibitor's expense.
- Additional pipe and drape will be required for those booths that have exposed areas or unsightly areas between the back wall of their structure and the back wall of the booth at the cost of the exhibitor.

Island Exhibit Space

An island is 400 square feet (20' x 20' or larger) of exhibit space surrounded by aisles on all sides. Island booths should be constructed to allow access from all sides with "transparency" that is an open sight line enabling an attendee to view the surrounding exhibit area through the island booth.

The maximum height of an island booth is 20 feet. The top of the booth's structure and signage must not extend more than 20 feet from the exhibit hall signs or other exhibitor's booths. ASN will not grant variances. Please note that some areas have a lower ceiling height. Please refer to the floor plan for specific ceiling height information.

An island booth that is 400 square feet or more must submit a detailed drawing of the booth to rcoombs@asn-online.org for ASN approval by no later than Friday, August 30, 2019.

Multi-Level Booths

If you are interested in designing a multi-level booth for the exhibit floor, please email meetings@asn-online.org.

Booth Sharing

ASN prohibits the sharing of booth space, except when sharing the space with divisions of the same company or between companies co-marketing a product or service.

Booth Relocation

ASN reserves the right to reconfigure the floor plan at any time prior to the annual meeting. If a booth assignment changes, ASN will notify you promptly.

Eligibility

ASN is committed to providing a quality exposition. For ASN to accept an exhibit application, products services and technology must be educational in nature and directly relate to nephrology, medicine, or research.

ASN reserves the right to accept or reject a potential exhibitor based on its assessment of whether that organization's products, services and technology are relevant to ASN members and, meeting participants.

Non-Profit Organizations

ASN encourages non-profit organizations to exhibit at the discounted rate of \$1,000. Non-profit organizations will be assigned booth space at the discretion of ASN and are limited to one 10'x10' booth space. Exhibitors may purchase additional booths at the regular, published rates.

To obtain the \$1,000 rate, the exhibitor must submit proof of non-profit status [501(c) (3) form] with the Application to Exhibit. Please note: the \$1,000 discounted rate is non-refundable and the full amount is due at the time of application submission. Non-profit organizations will receive their booth assignment in July 2019. Booth assignments are selected by ASN on a first-come, first served basis. Special booth preference requires the non-profit to make a payment of an inline rate.

Payment

Exhibitors must pay by check in US dollars drawn on a US bank. The Application to Exhibit and 50% deposit must be mailed to:

Make checks payable to: The American Society of Nephrology (ASN)

Mail checks to: The American Society of Nephrology

5130 Parkway Plaza Boulevard, Charlotte, NC 28217

Applications received after Friday, July 12 must be accompanied by payment in full.

Booth Cancellation and Downsizing

All cancellations of exhibit space must be received in writing by ASN. If space is reduced, the net reduction of space will be treated as a cancellation of that space. If ASN receives a written request for cancellation of space between January 11 – July 12, 2019, the exhibitor will incur a 50% cancellation penalty and the exhibitor will be eligible for a refund minus 50% of the cancelled space. Any cancellations received in writing on or after Friday, July 12, 2019, will incur a 100% cancellation penalty and the exhibitor will not be issued any monies received by ASN for cancelled space and any monies not paid will still be owed. Any space not occupied by 4:30 p.m. on **Wednesday, November 6, 2019** will be forfeited by the exhibitor. ASN may reassign or use this space without refund. Exhibitors who anticipate delays setting up booths must receive prior approval by ASN. All booths must be staffed during exposition hours.

Lighting

All island/multi-level booths may utilize special lighting. Lighting must be directly over or in the exhibitor's booth and cannot exceed 24 feet. Lighting cannot affect other exhibitors or block ASN aisle signs. ASN will not dim or turn off exhibition hall lighting to accommodate exhibitors' lighting requirements.

Signs

For an island booth, the top of a sign suspended from the exhibit hall ceiling or attached to the exhibit booth must not exceed 20 feet from the exhibit hall floor and cannot block the visibility of ASN signs or other exhibitors' booths. Exhibitors must suspend hanging signs directly over the island booth and not over the aisles. No part of any exhibitor signs may be posted, nailed or otherwise attached to columns, walls, floors or other parts of the building or its furniture.

It is the responsibility of the exhibiting contact person to notify their contractors and agents of all restrictions for hanging signs and lighting.

Storage

Fire regulations in most exhibit facilities prohibit storing product literature, empty packing containers, or packing materials behind back drapes or under draped tables. However, exhibitors may store a limited supply of literature products appropriately within the booth area so long as these do not impede access to utility services, create a safety problem, or appear unsightly. Accessible storage for exhibitor materials will be available upon request from the official decorator for a fee. Upon request, the official decorator will deliver storage items to the exhibitor's booth.

Early Dismantling

ASN prohibits early dismantling. **Exhibits officially close on Saturday, November 9, 2019 at 2:30 p.m.** All exhibitors must staff their booths until that time. Exhibitors who leave before closing will be subject to priority point reduction and possible exclusion from future annual meetings.

Rules and Regulations (continued)

Cancellation of Exposition

In the event of cancellation of exhibits due to fire, the elements, strikes, government, regulations, or other causes beyond ASN's control, ASN will not be held liable for failure to hold the exposition as scheduled, and ASN will determine the amount, if any, of the exhibit fees to be refunded.

Exhibitor Appointed Contractor (EAC)

Exhibitors planning to use a contractor other than the official contractor to supervise the set-up and dismantling of exhibits must notify ASN Exhibit Management in writing by Friday, August 31, 2019. EACs are required to submit an original and valid certificate of insurance that includes commercial general liability, products liability coverage, and broad property damage endorsement with combined and single limits of liability not less than \$1 million per occurrence and a \$2 million aggregate limit. The certificate must also include coverage for workers' compensation and employers' liability in commercially reasonable limits as otherwise required by the laws of the city of Washington, DC. The certificate of insurance should name ASN, SPARGO, Inc., the Walter E. Washington Convention Center and GES as additional insured. Certificates of Insurance must indicate the exhibiting company that they are representing in the description area of the certificate. Certificates will be discarded if this information is not listed.

Federal and State Regulations

U.S. FDA Regulations

Exhibitors who have questions regarding drug promotion should contact the Food & Drug Administration (FDA) at 301-443-1544. Each exhibitor is solely responsible for compliance with the FDA rules and regulations.

Americans with Disabilities

The representatives of each exhibiting company will be responsible for making their exhibit accessible to persons with disabilities as required by the Americans with Disabilities Act and shall hold the American Society of Nephrology harmless for any consequences of an exhibitor's failure in this regard.

Fire Regulations

All materials used in the exhibit area must be flameproof and fire resistant in order to conform to local fire ordinances. Crepe and/or corrugated paper, flameproof or otherwise, are not permitted. All aisles and exhibits must be clear at all items and fire stations and fire extinguisher equipment are not to be covered or obstructed.

Insurance and Liability Issues

- Exhibitors must acknowledge that neither the American Society of Nephrology, SPARGO, Inc., Global Experience Specialists (GES), the Government of the District of Columbia, nor the Walter E. Washington Convention Center shall be obligated to maintain property, liability, or business interruption insurance covering the exhibitor. It is the sole responsibility of the exhibitor to obtain such insurance at its own expense.
- Exhibitors with booths that are 400 square feet or larger must submit an original and valid certificate of insurance to meetings@asn-online.org by **August 30, 2019**, which must include: commercial general liability coverage and broad property damage endorsement with combined and single limits of liability not less than \$1 million per occurrence and \$2 million aggregate limit.
- Commercial general liability shall name ASN as an additional insured and provide a certificate of insurance evidencing the same.
- Exhibitors shall also maintain workers' compensation and employers' liability insurance in commercially reasonable amounts and as otherwise promulgated by state law.
- Exhibitors shall carry commercial automobile insurance, including hired and non-owned liability coverage as well.
- Insurance policy must be in force from the move-in date through the move-out date.

International Exhibitors

The FDA requires exhibitors to comply with all current FDA guidelines that pertain to the promotion of prescription drugs that are not commercially available

within the U.S. but may be promoted in the exhibit hall for the benefit of non-U.S. participants. Exhibitors should ensure that any depiction of an investigational product in a commercial exhibit remains within the limitations of the host country's governing regulations regarding display of investigational products. Exhibitors that have chosen to promote products to non-U.S. participants should incorporate international areas within their booths that are not accessible to U.S. participants in order to comply with FDA guidelines. Please note that for island booths any walls used to partition off these international areas must include four foot breaks for every 12 feet of solid wall, and walls must not obstruct the attendees' view of the surrounding exhibit area.

Limitations and Liability

Exhibitors agree to protect, save and keep the American Society of Nephrology, SPARGO, Inc., the occupied hotels, the Walter E. Washington Convention Center, and Global Experience Specialists (GES) forever harmless from any damage or changes imposed by the exhibitor, its employees, or agents. The exhibitor also agrees to strictly comply with the applicable terms and conditions contained in the agreement between the American Society of Nephrology, the occupied hotels, the Walter E. Washington Convention Center and GES regarding the exposition premises.

Further, the exhibitor shall at all times protect, indemnify, save and keep harmless the American Society of Nephrology, SPARGO, Inc., Inc. the occupied hotels, the Walter E. Washington Convention Center, and GES, against and from any and all loss, cost damage, liability, or expense which arises out of, from, or by reason of any act or omission of exhibitor, its employees or agents.

Music Licensing

ASN does not obtain ASCAP or BMI licensing that will allow the use of copyrighted, recorded music in your booth. Exhibitors interested in playing copyrighted music must obtain the proper licensing from Broadcast Music In. (BMI) at www.bmi.com or the American Society of Composers, Authors, and Publishers (ASCAP) at www.ascap.com.

Rules and Regulations (continued)

Porter Service

In an effort to maintain a clean and organized exhibit hall, exhibitors who distribute giveaways must order porter service. Porter service includes monitoring the exhibit booth to empty wastebaskets and collecting empty boxes throughout show hours. Empty boxes may not be placed in the exhibit hall aisles, behind or adjacent to columns, or in trashcans in the exhibit hall for removal during show hours. The order form for porter service will be provided in the exhibitor service manual. Standard wastebasket emptying does not include removal of empty boxes. If an exhibitor does not properly handle empty boxes, ASN will remove the boxes at the exhibitor's expense.

Promotional Activities

ASN recognizes that promotional activities encourage a steady flow of traffic to the exhibit booths. It is imperative that exhibitors display professionalism and consideration for their fellow exhibitors; therefore, interviews, demonstrations, and the distribution of literature or samples must be made within the exhibitor's booth. **Canvassing or distributing promotional materials outside the exhibitor's rented booth space is not permitted.** Exhibitors may not distribute literature in the convention center, hotels or any public area.

Sale of Goods and Services

The sale of goods and services of any kind is prohibited. Order taking is permitted. However, the exhibitor agrees not to deliver any goods and/or services until after the conclusion of the exposition. Furthermore, the exhibitor agrees not to conduct or permit the receipt of legal tender or anything of value for machinery, equipment, goods and/or services. Aggressive sales tactics will not be tolerated.

Contests, Lotteries, Raffles, and Games of Chance

Contests of any kind are prohibited on the exhibit hall floor at Kidney Week 2019.

Animals

ASN prohibits live animals on the exhibit floor, except for authorized service animals.

Food and Beverage

Permission to serve food and beverages must be coordinated with the catering department of the Washington, DC Convention Center. All food and beverages must be purchased through the Washington, DC Convention Center. ASN prohibits the distribution of alcoholic beverages, popcorn machines and freshly baked items on the exhibit floor.

Security

ASN will provide security protection for the perimeter area of the exhibit hall on a 24-hour basis during the entire exhibit period, including move-in and move-out. Neither ASN, SPARGO, Inc., the Walter E. Washington Convention Center, nor GES is liable for any of the exhibitors' property. It is recommended that each exhibitor purchase a portal-to-portal rider available on the exhibitor's own insurance policy, as protection against loss, theft, fire, damage, etc.

Please note that while the exhibit hall is closed to the attendees of Kidney Week 2019 during non-show hours, the individuals who participate in poster presentations will be allowed to enter the hall before and after show hours in order to prepare for their poster session.

Priority Point System

Priority Point Allocation for ASN Kidney Week 2019

25 points	Awarded to Diamond Supporters
20 points	Awarded to Platinum Supporters
15 points	Awarded to Gold Supporters
10 points	Awarded to Silver Supporters
5 points	Awarded to Bronze Supporters
1 point	Awarded for each 100 square feet of exhibit space

The priority point system recognizes companies that support ASN activities and encourages new companies to participate. ASN assigns priority points for participating as an exhibitor and/or supporter. Companies and organizations participating in ASN Kidney Week 2019 will earn priority points as listed above. Points are maintained on a three-year cumulative basis and determine exhibit hall placement and placement for group housing blocks. Hotel placement is also determined by group size and date of submission of the request.

Priority points will be accumulated over three-year cycles. Only points accumulated during the past three ASN Kidney Weeks will be used in determining exhibit hall placement for upcoming ASN Kidney Weeks. For example: priority points accumulated during ASN Kidney Week 2016, 2017 and 2018 will determine the exhibit hall placement for 2019.

Priority points are also based on corporate support throughout the calendar year. Please note companies at the Diamond and Platinum levels of support are assigned exhibit space first, regardless of the number of accumulated priority points.

For more information regarding the priority point system, please contact, meetings@asn-online.org.

Mergers and Acquisitions

If companies have merged or been acquired, the companies must submit proper documentation to meetings@asn-online.org. The resulting company may choose to use the highest priority points of any of the previous companies. Points will not be combined. Companies belonging to the same parent company with other divisions participating at ASN cannot reserve exhibit space using the parent company's points unless they are participating under the parent company name.
