Join the American Society of Nephrology (ASN) 2019 Fellows in Training (FIT) Bowl at Kidney Week. This year’s competition is a two-day, single elimination tournament.

Teams should consist of four members who are currently fellows in training in Nephrology. Teams are accepted on a first come, first served basis. To be eligible to participate, all team members must be current fellows in an ACGME-accredited Nephrology training program.

To connect with other fellows to form teams, please post on the [ASN Fellows Connect Community](#).
