Showcase Description

KidneyX invited the finalists from its first prize competition, Redesign Dialysis Phase I, to pitch their solutions to a panel of judges representing expertise in regulatory, industry, investor, patient and clinician communities. During the showcase participants will provide a 5-7-minute overview of their solution followed by questions from the panel of judges.

Judges

- Joe Gordon (Ximedica)
- Mahesh Krishnan, MD, MBA, MPH, FASN (Davita)
- Jesse Roach (CMS Representative)
- Prabir Roy-Chaudhury, MD, PhD, FASN (ASN Council)
- Douglas M. Silverstein, MD (Pediatric Nephrologist, Medical Officer at CDRH, FDA)
- Caroline Wilkie (Patient)
