

**KIDNEY  
WEEK** 2022

## **Diversity, Equity, Inclusion, and Health Care Justice Content**

### **Diversity and Equity in Kidney Health - I (Posters)**

Thursday, November 3

#### **Health Care Equity for All: Improving the Experience of Patients with Kidney Diseases**

Thursday, November 3, 10:30 a.m. – 12:30 p.m.

*Various health care justice topics including how social determinants of health and health systems affect the patient experience.*

#### **Implementing the Race-Free eGFR Equations in Clinical Practice: Where Are We Now?**

Thursday, November 3, 4:30 p.m. – 6:00 p.m.

*Progress in the integration of the race-free eGFR equation in practice, as well as its clinical implications.*

### **Diversity and Equity in Kidney Health - II (Posters)**

Friday, November 4

#### **Vascular Access: Promising Dialysis Innovation to Ensure Equity in Opportunities and Care Delivery**

Friday, November 4, 2:00 p.m. – 4:00 p.m.

*Current information from the perspective of patients and multidisciplinary clinicians to meet important objectives for vascular access in day-to-day care.*

#### **Trauma Behind My Smile: Better Access to Behavioral Health Resources During the Transplant Process, Including the Celeste Castillo Lee Endowed Lectureship**

Friday, November 4, 4:30 p.m. – 6:00 p.m.

*The patient experience of kidney transplantation and the lack of access, or sometimes limited access, to behavioral health resources during the process.*

#### **Ethical Challenges in Nephrology, Including the Christopher R. Blagg, MD, Endowed Lectureship in Kidney Diseases and Public Policy**

Sunday, November 6, 9:30 a.m. – 11:30 a.m.

*A comprehensive and transparent review of relevant ethical issues nephrologists must face, including the undocumented immigrant community, shared decision making, pig-to-human transplantation, and pediatric kidney replacement therapy.*
