

Join us at ASN Kidney Week 2025

Houston, TX | November 5-9

Exhibitor Spotlight | Presented by Natera

Houston, we have a solution: Integrating genetics into clinical practice

Madhavalatha Vuppali, MD

Healing Kidneys

Nina Mann, MD

Nationwide Children's Hospital

Join us for a dynamic symposium exploring how genetic testing is transforming nephrology. With strong endorsement from leading medical societies, the question is no longer if but how to seamlessly integrate testing into everyday practice.

Experts will share data on detection rates across key patient groups, emerging evidence in hypertension, and how to successfully integrate genetic testing into routine patient care, as well as real-world cases highlighting how genetic testing refines diagnosis and enables personalized care.

Date:

Thursday, November 6

Time:

12:30–1:15 PM

Location:

George R. Brown
Convention Center,
Houston, TX

Exhibit Hall D, Theater #2

Registration is not required, but space is limited. Lunch and seating are first come, first served.

The Exhibitor Spotlight is not a Continuing Education (CE) activity.
