Greetings,

Welcome to Houston, Texas, an international city rooted in scientific discovery, cultural richness, and unmatched hospitality. It is our privilege to host ASN Kidney Week 2025 on November 5-9 and show you all the wonderful things our vibrant city has to offer during your stay.

As the fourth-largest city in the United States, Houston boasts world-class dining, arts, and culture. With more than 19 first-rate museums, thriving performing arts, and an energetic culinary scene, there is something for everyone to enjoy while you are here.

Houston is also home to the Texas Medical Center, the largest medical complex in the world, where innovation in patient care and research happens every day. Our city's dedication to innovation extends to space exploration through NASA's Johnson Space Center, reflecting Houston's longstanding commitment to science and progress.

We hope you take the time to explore what Houston has to offer. For more information, please visit www.visithouston.com to help plan your stay. On behalf of the citizens of Houston, we wish you a successful and memorable Kidney Week.

Sincerely,

Mayor

John Whitmire
