INFORMATION FOR ALL BOOTH STAFF

For your convenience, ASN has drafted a [Know Before You Go](#) document with pertinent information for your onsite booth staff including; how to access the exhibit hall, a reminder about the ASN code of conduct, and ASN's giveaway policy. These are the most common questions we receive onsite. **Please distribute this letter to your booth staff** so they have the information needed at hand. Failure to inform booth staff of the exhibitor policies will not excuse policy violations.
