

Educational Activities

ASN is accredited by the Accreditation Council for Continuing Medical Education (ACCME) and follows all guidelines for providing ACCME-accredited activities. ASN provides venues for medical professionals to access the most recent research findings, share information, and translate research results into optimal patient care. ASN also prepares physicians to meet continuing education and certification requirements deemed essential to professional development and the responsible practice of medicine. ASN appreciates the support of other organizations in helping physicians and other professionals better understand disease processes and improve patient care.
