

Promotional Activities

In 2023, ASN Kidney Week and the ASN Board Review Course and Update provided venues for sharing the results of the latest scientific and clinical investigations. Support provided to ASN enhances the meeting experience for the attendee, while providing promotional recognition to the supporter. Additional support was received for the Diabetic Kidney Disease Collaborative to develop a non-CME, online diabetic kidney disease (DKD) education module.

Company	Activity	Amount
Alnylam	Kidney Week	\$20,000.00
Apellis Pharmaceuticals	Kidney Week	\$45,000.00
